

2026 US National Cat Libres Padel Team - Team Selection Criteria

- 75% of the players within each competition category will be selected via ranking. The highest-ranked eligible player will have top priority, followed by the second-highest, etc. (“Selections by Ranking”)
- The US National Team Coach and the Relevant Assistant Coaches may incorporate a player’s (i) USPA absolute category ranking, or (ii) FIP ranking, and or (iii) direct and indirect USPA and FIP sanctioned tournament match results of identical pairings when determining the Selections by Ranking. It is the relevant national team coach’s unilateral decision to select which ranking (USPA or FIP) to base each individual Selection by Ranking.
- The remaining 25% of players will be chosen by the US National Team Coach (“Coaches Picks”).
- The US National Team Coaches and the Relevant Assistant Coaches may reduce the Selections by Ranking to 50% and increase the Coaches’ Picks to 50% by presenting specific player selections to the USPA Teams Subcommittee on Selections and receiving at least a majority vote from the subcommittee.
- The US National Team Coaches shall be from multiple geographic regions of the US.

Selection Dates, Deadlines, and Other

- a. Rankings used for selections will be the most recent published ranking as of the selection decision date.
- b. A USPA National Teams Subcommittee on Selections, comprised exclusively of persons not applying for a position on the respective US National Team, will review and confirm that the above selection process has been followed, prior to any team selection announcement.
- c. Coaches’ Picks shall include the unanimous support from not fewer than two National Team Coaches.
- d. In a scenario where the number of required players is not wholly divisible by ¼’s, the USPA will round down in making Selections by Performance.
