

2026 US National Absolute Padel Team - Team Selection Criteria

- 25% of the players will be selected based on rankings. The highest-ranked eligible player will have top priority, followed by the second-highest, etc. (“Selections by Ranking”)
- The Absolute US National Team Coach and the Relevant Assistant Coaches may base Selections by Ranking on a player’s (i) USA Padel absolute category ranking, or (ii) FIP ranking. It is the relevant coach’s unilateral decision to select which ranking (USA Padel or FIP or some combination thereof) from which to base each individual Selection by Ranking.
- The remaining 75% of players will be selected by the Absolute US National Team Coaches (“Coaches’ Picks”).

Selection Information

- a. Rankings used for selections will be the most recent published ranking as of the selection decision date.
- b. A USA Padel National Teams Subcommittee on Selections, comprised exclusively of persons not applying for a position on the respective US National Team, will review and confirm that the above selection process has been followed, prior to any team selection announcement.
- c. Coaches’ Picks shall include the unanimous support from not fewer than two National Team Coaches.
- d. In a scenario where the number of required players is not wholly divisible by ¼’s, USA Padel will round down in making Selections by Performance.

Updated May 28, 2026

As the national governing body for Padel in the USA as determined by FIP and Padel America, USA Padel sends teams to attend FIP World Championships, Padel America Championships, and other International Competitions. The dates and locations of each tournament change annually and are placed on the USA Padel Calendar as soon as they are officially announced.
